

September 10, 2024

ADVISORY:
System Maintenance and Warmer Weather Anticipated
This notice applies to all customers

SYSTEM WIDE:

DTE Gas will be performing system maintenance at the Belle River Storage facility between September 11th – 17th, 2024.

Due to projected warm weather forecasts expected during this time and higher than normal storage balances, storage injections and balancing injections may be restricted.

Potential restriction points are:

- DTE GAS COMPANY STORAGE INJ (MAP #9036)
- IBS INJ (MAP #9501)
- EUT DELIVERIES

If nominated volumes exceed available system storage capacity during this time period, capacity allocations will follow the category priorities outlined in the DTE Gas Company FERC Operating Statement Section 11.4; Capacity Allocation which follows Section E2.2 of the DTE Gas Rate Book.

DTE requests that customers and gas suppliers proactively watch for updated operational notices on DTE's eNominator system, Gas Noms Webpage, and direct emails during this critical period.

Please contact your gas account manager with any questions.
