

### **Lisa Muschong**

Vice President, Corporate Secretary & Chief of Staff  
DTE Energy

Lisa A. Muschong is vice president, corporate secretary and chief of staff for DTE Energy. Muschong is responsible for corporate governance issues, corporate policies and practices, shareholder relationships and Board of Directors matters.

Muschong joined DTE Energy in 1991. Prior to her current position, Muschong was director of Investor Relations where she was responsible for communicating DTE Energy's business, financial and operating strategies to industry analysts and investors. Muschong previously served as manager of the Corporate Budget, Forecast and Reporting group under the Controller Organization. In this capacity, Muschong coordinated the development of the enterprise annual budget data and prepared consolidated financial and operating data for DTE Energy's senior management. Muschong has held positions of increasing responsibility in various Controller groups. Prior to the Corporate Budget, Forecast and Reporting group, Muschong managed both the Corporate Support and Energy Resources Consolidation groups within the Controller Organization.

Muschong earned a Bachelor of Arts degree in finance from Michigan State University and a Master of Business Administration from Walsh College.

Muschong is the executive sponsor of DTE Energy's Women of DTE, an employee resource group that fosters employee growth and development through networking, community service and informal support groups. In addition, Muschong serves on the board of directors and chairs the Board Development Committee for Goodwill Industries of Greater Detroit. In February 2017, she was elected an officer of the Detroit Economic Club. From 1997 to 2006, she served on the Board of Directors for the Detroit Edison Credit Union.

---

DTE Energy (NYSE:[DTE](#)) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.3 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers across Michigan. The DTE portfolio also includes energy businesses focused on custom energy solutions, renewable energy generation, and energy marketing and trading. DTE has continued to accelerate its carbon reduction goals to meet aggressive targets and is committed to serving with its energy through volunteerism, education and employment initiatives, philanthropy, emission reductions and economic progress.
