

**Matthew Paul**

President & Chief Operating Officer
DTE Electric

Matt Paul is president and chief operating officer of DTE Electric, DTE Energy's electric utility serving 2.3 million customers in southeast Michigan.

Paul's career with DTE Energy spans more than 20 years, in which he has served in a number of senior leader positions, including executive vice president of Distribution Operations for DTE Electric as well as president of DTE Gas. He has also held leadership positions in DTE's electric generation and non-utility businesses.

He earned a Bachelor of Science degree in mechanical engineering from Michigan State University and a Master of Business Administration degree from the University of Chicago.

Paul is a board member of the Michigan Manufacturing Association, Michigan Chamber and the Autism Alliance of Michigan. He and his wife have four sons and enjoy spending family time in northern Michigan.

DTE Energy (NYSE:[DTE](#)) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.3 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers across Michigan. The DTE portfolio also includes energy businesses focused on custom energy solutions, renewable energy generation, and energy marketing and trading. DTE has continued to accelerate its carbon reduction goals to meet aggressive targets and is committed to serving with its energy through volunteerism, education and employment initiatives, philanthropy, emission reductions and economic progress.
