

2020 Prospective Product Content Label

The MIGreenPower program is certified by Green-e® Energy. As part of this certification, we are required to provide you with detailed information about the product, including this Product Content Label and the program's Price, Terms and Conditions.

When you enroll in MIGreenPower, you purchase renewable energy equal to your chosen percentage of your monthly kilowatt-hour (kWh) electricity usage, in 5% increments up to 100%. The product is comprised of the following new renewable resources averaged annually.

Green-e Energy Certified New ¹ Renewable Source				
	2019 Historic ²	General Location	2020 Prospective ³	General Location
Wind	50%	Huron County, MI	50%	Huron County, MI
Solar	50%	Lapeer, Detroit, MI	50%	Lapeer, Detroit, MI

¹ New Renewables come from generation facilities that first began commercial operation within the past 15 years.

² These figures reflect the power delivered to MIGreenPower customers in 2019.

³ These figures reflect the renewables that we have contracted to provide. Actual figures may vary according to resource availability. We will annually report to you before August 1 of the next year, in the form of a Historical Product Content Label, the actual resource mix of the electricity you purchased.

For comparison, DTE Electric's fuel mix includes: Coal (58.83%), Nuclear (23.83%), Natural Gas (8.78%), Oil (0.18%), Hydroelectric (0.15%), Biomass (1.12%), Wind (6.69%) and other Renewable Fuels (0.42%). This resource mix was prepared in accordance with DTE Energy.

The average home in DTE Energy's territory uses 650 kWhs per month. Source: DTE Energy

For specific information about this product, please contact DTE Energy at MI_Green_Power@dteenergy.com, call **855.613.4445** or visit dteenergy.com/migreenpower

For business customers, participation at any level is Green-e Energy certified. For residential customers, participation at or above the 25% level is required for Green-e certification. Both meet the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at www.green-e.org.

Price, Terms and Conditions	
Company	DTE Energy
How will I be billed?	Your MIGreenPower purchase is month-to-month and will be listed on your DTE Energy bill. This charge is in addition to your regular electricity bill and will fluctuate based on the amount of electricity used.
What is the rate?	The MIGreenPower program is a premium product that includes a subscription rate of 7.2 cents per kWh that will remain the same for the life of the program, and a credit based on the value and capacity of the energy produced in proportion to your subscription level. In 2020, your credit will be 4.0 cents per kWh (a net cost of 3.2 cents). This product is billed based on specified percentage of electricity use.
Will the rate change over time?	The subscription cost will remain fixed. The credit will be recalculated annually. We will notify you of a rate change in advance.
Can I cancel my participation?	Yes. You may cancel your participation in MIGreenPower at any time. To cancel, please call 855.613.4445 .
Will I be subject to any additional fees?	No other fees apply
Where can I go for more information?	Please contact DTE Energy at MI_Green_Power@dteenergy.com , call 855.613.4445 or visit dteenergy.com/migreenpower .
